Dear Madam:-

We are sorry to cause this delay, but upon looking up the certificate of birth of Hiram L. Wilbur, we find the certificate has been torn and some of the items are missing.

The certificate just gives March as the date of birth, and the date and year are missing. Also we are only able to make out part of your maiden name which is Nettie C.Ca_____; and your age at that time. Also the item "Number of child of this mother, including present birth" which is six, but we are unable to tell whether or not they are all living. If you will kindly let us have this information which is lacking, we shall forward the certificate at once.

Hoping this delay does not greatly inconvenience you, we wish to remain,

Respectfully,

DEPARTMENT OF PUBLIC WELFARE

Please send me some application blanks for my daughter's birth certificate. She was born in Idaho so there is a record of her birth but she wishes to have the certificate made out in her married name so wants me to make affidavit that she is the same person. Do you have a form for such an affidavit? If not will you send instructions so that I can make out an acceptable one?
